

Arkansas State Sheep Council

Youth breeder scholarship application

Purpose: To support Arkansas Jr Sheep Council members that intend to raise lambs that will be nominated and shown in the Arkansas Bred Lamb program. This scholarship will be in the amount necessary to cover the annual ASSC Breeder Membership dues and allow the recipient to purchase up to 3 ABL tags for the scholarship year. Approved applicants will need to complete an ASSC membership form, tag order form and be held to the same eligibility rules as other ASSC members. Approved applicants will be assigned a project mentor to assist them with flock management, as needed.

Eligibility: Applicant must be a current AJSC member in good standing and a member of FFA or 4H with a corresponding sheep SAE or 4H project.

Tell us about your project. In a 50-100 word essay, tell us about the goals or plans you have in sheep production. Include some details about your project including the number of mature ewes you breed. Do you lease, own, or utilize another breeder's ram via natural breeding or AI. How many years have you been a member of the AJSC. Tell us a thing or two that you have learned from breeding sheep that is new or different than what you learned from showing a market lamb.
