

Arkansas State Sheep Council Meeting

October 11,2013 - Minutes

The meeting was called to order on the bleachers at the Arkansas State Fairgrounds by President Mike Reynolds. The treasurer's report was given. The treasury has \$10,286 and since the group is unsure of expected expenditures, Mike proposed that we do as we did last year for awards for the ABL show. Pay 5 places in each class (\$60, 50, 40, 30 and 20) plus \$1000.00 to Grand Champion and \$500.00 Reserve Champion. Additionally \$1200.00 will be given to AJSC for year-end awards. Eveann George made the motion to continue as we had last year and Robin Harlow seconded the motion. Motion passed.

The winter meeting was mentioned to be conducted in January. Cindy Kendrick mentioned the possibility of a web cast. Sherri Sanders will check into the possibility of having an online meeting through Centra or a webcast. Suzie Wright made the motion to allow Sherri Sanders one month to investigate the webcast/online meeting to see if that is doable. If not then Mike Reynolds will determine the date, place and time of the winter meeting. Diana Watkins seconded the motion. Motion passed.

Mike spoke about the educational workshop that was held in August. ASI has again awarded us \$1000 for the mentoring program Mike has talked with David Fernandez who has agreed to come back to provide an educational seminar on egg counts in fecal samples. Sherri Sanders made the motion to use the \$1000 from ASI to buy equipment for fecal educational workshops. Suzie Wright seconded the motion. Motion passed

Eveann George mentioned that her husband Louis did not want to the the SW District for ASSC any longer. Eveann was nominated for that position and it was voted on. Motion passed.

Sincerely,

Sherri Sanders, Secretary
