*****PLEASE NOTE***** AR-OK District has not had an ABL show in recent years and is not having one in 2025 but is making arrangements to start them back up in 2026. HB400 (Act #993) allows kids to show at the district of their choice as long as they participate in only one district fair. If a shower decides to change districts, they have to show in the district overall market show to participate in the district ABL market show. Links for the above referenced bill is below.
